Daily Average: 1,331 kcal/day

How to Use Your Meal Plan

1

Customize with AI Chat

Use our intelligent AI assistant to modify any meal instantly. Ask for substitutions, dietary adjustments, or recipe variations.

2

Track & Monitor Progress

Log your meals in the app to track calories, macros, and nutrition. Get real-time insights and personalized recommendations.

3

Flexible Meal Swaps

Don't like a meal? Swap it! Our AI suggests healthy alternatives that match your calorie targets seamlessly.

4

Stay Hydrated

Drink 8-10 glasses of water daily. Set up hydration reminders on your WellNest dashboard to stay on track.

5

Consistent Meal Timing

Eat at consistent times daily. Space meals 3-4 hours apart for better digestion and sustained energy levels.

6

Review & Adapt Weekly

Check your progress dashboard weekly. Our AI learns from your patterns to continuously improve your meal plans.
